ON THE HOME FRONT

We are just two short weeks away from the start of the 45th Annual Spiritual Sword Lectureship. This is one of the most exciting times of the year. We are thankful for Stanley Wallace and all of those who help him in our kitchen. We always have great lunches during the week. I remember as a student at MSOP, many of my fellow students would go elsewhere for lunch. I always thought they were missing out! We have some of the best food in town for the best deal in town (free!). If you can help brother Stanley, please see Ron to find out how you can help.

Please continue to be mindful of our pantry. We have a few "staple" items that we give out the most, so we run out of them more quickly, these include:

- *Canned Meat
- *Canned Vegetables
- *Canned Fruit
- *Canned Soups
- * Peanut Butter

This may not seem like much to us, but it can really help those who are in need. We never know what good a can of soup may do. Please make an effort to help in this way. We have been doing a good job, but please continue to keep it in mind.
