ON THE HOME FRONT

We are now just ONE WEEK away from the start of the 45th Annual Spiritual Sword lectureship. Next week will be very exciting! We have visitors coming in from all over the world to hear these great lessons from God's Word. We all need to band together in order to make the lectureship as successful as it can be. As my mother would tell me when I was an "itty-bitty-little-feller", "Company is coming." When my mother told me, "Company is coming," I knew that meant several things. We can apply these as we prepare for the lectureship.

1. **Make yourself look nice.** Instead of walking around in the same old tee shirt which I had been wearing, when company was coming, I needed to make myself look presentable by taking a shower, changing clothes, brushing my teeth, etc. Since "company is coming" next week, we need to be as loving and as welcoming as we can be. Let's make people want to come back next year.
2. **Clean up.** My mother would often tell me that I needed to "find my floor" when company was coming. By this, she meant that I needed to pick up anything so that my bedroom and other areas of the house would be clean for our guests. If you see a pile of dust or a dead bug or a spider web, please help us out and take care of it.
3. **Have fun.** Yes, it will be hard work, but the lectureship should be fun for all of us. Let's enjoy the fellowship that we have with one another.
