## ON THE HOME FRONT

We hope that each person has a great Thanksgiving week. This is such a great time to reflect and be thankful for all of the blessings that we have. We know that we should be thankful every day, but this time especially is important for so many. Please be sure to pray for all those who will be traveling to be with family during the holiday. Also, be sure to pray for those who are unable to be with their families due to work, such as policemen, firemen, ambulance workers, hospital staff, armed forces, and many more. What are some things for which we should be thankful?

1. **Salvation.** This should be at the top of all of our lists. Without this, nothing else would have any value.
2. **Family.** What a blessing it is to have so many around who love and care about you. This is not only true for the physical family, but also for our brothers and sisters in Christ as well.
3. **Physical blessings.** We all enjoy so much comfort in this country. I saw a statistic that said if you make \$400 annually, you are in the wealthiest 90 percent of the world. This really gives some perspective.

When we stop back and think, we are more blessed than we deserve. Take some time and show appreciation not only to God, but to those in your life who do so much for you.
