## ON THE HOME FRONT

Our thoughts, prayers, and hearts are with those who suffered so greatly in the storms of this past weekend. At last count, over 70 people have passed away, and over 100 are still missing from Mayfield, KY alone. So many of our members have connections to this area, with some still having family members there. I have been informed of a couple of ways that you can donate to help, if you so choose:

Churches of Christ Disaster Relief Effort, Inc.  
PO Box 111180  
Nashville, TN 37222-1180

Walnut Grove church of Christ  
85 Walnut Grove Rd.  
Benton, KY 42025  
Earmark: "Tornado Relief"

Thank you all so much for continued prayers for these efforts.

## DISTRACTIONS

Do you have distractions in your life that are causing you not to be the husband or father you need to be? More importantly, do you have a distraction in your life that causes you not to be the child of God that you need to be?

Many people have various distractions such as drugs, alcohol, pornography, and so on but one thing we fail to realize that is one of the biggest distractions of all is our workplace. Oftentimes we do not even realize it. We wake up, get ready, and then head off to our jobs where we spend countless hours with other people trying to accomplish the tasks that we were handed that day. Many people even consider their co-workers their "work family" because they spend so much time with them. Sadly, there are people who know their co-workers better than they know their own family.

Distractions come in many different forms. If we are not careful, they can take over our lives and cause us to start living in a way that does not line up with Christ.

For 12 years I worked in the healthcare industry. Day in and day out I would go to work and help develop and manage electronic nursing documentation software and reports for dozens of hospitals across the country. I would wake up, get the kids and wife out of the door, and then log onto work. For hours, I would sit in front of the computer. Hardly ever did I think about my path in life as a Christian. I was too worried about making sure that my company was

happy that I totally neglected the One that mattered the most.

I lost my job in September. At that point I realized that what I was doing was not exactly what God had planned for me. You see, it took me losing my job for me to see that God had a different route that I needed to be on because the one I was on did not have Him first in my life all of the time. He was first on many occasions but not all of the time.

The distraction was removed.

Does your job matter? Yes, it does but will it get you to Heaven? Unless you are a minister or a person sewing the Lord while working, more than likely your position in your company will not get you to Heaven. Most companies do not care if you grow closer to God or are on the path to Heaven. Psalm 119:37 tells us to turn away our eyes from looking at worthless things and revive us in God's way.

Distractions will come and go in different ways at different times. During these times we need to remember to stay focused on Christ. Keep your eyes down the narrow path and do not fall off. God will lead us through and provide us comfort when we need it the most.

Today, I encourage you to take a moment and clear your mind of work, sports, and other things, and focus on Christ. **A God Is Good.**
